And that also, according to the best of my knowledge and belief, the information is said to be true.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, James H. McLaughlin, Master of the R.M.S. Albatross, of San Francisco, do solemnly swear, and truly aver that I have made a personal examination of each and all of the passengers and the crew, sailing therewith, to make a physical examination of each of said passengers is an idiot or insane person, or a pauper or likely to become a public charge, or suffering from a loathsome or dangerous contagious disease, or a person who has been convicted under a contract or agreement, express or implied, to perform labour in the United States through such as are commonly known under the law. And that also, according to the best of my knowledge and belief, the information in said List or Manifest, concerning each of the passengers and crew is correct and true.
